## OBJECTIVE

I am a fresher seeking a job as a developer to grow professionally And also, I am contributing my skills to the company's success and development.

## EDUCATION

### Takshashila University

Master of Computer Applications

Currently Pursuing

Tindivanam Taluk, Ongur, Tamil Nadu

2023 - 2025

### Srimath Sivagnana Balaya Swamigal College

Bachelor of Computer Applications

Mailam, Tamil Nadu

2020 - 2023

**CGPA: 8.4**

## PROJECTS

### Student Management System

Developed a web application for managing student records, tracking attendance, and enhancing communication between students and educators. Utilized HTML, CSS, JavaScript, and Bootstrap for a responsive front-end, Python Flask for backend functionality, and MySQL for efficient data management.
